Business and Enterprise Project

Students from Worthing High and Durrington High have taken part in a Business and Enterprise project at Worthing's Near to School Provision. The students decided to run a charity event in aid of Comic relief. For this they visited many local businesses including; The Hair & Beauty Shop, Bodytone, Moores Domestic Appliances, It's a Computer Shop, Good for Life, Flashbang Photography, Lindy Lou, Yankee Candle, Secret Garden Florists, Random Rules, Sussex Needlecraft Store, Rio Tanning, Worthing Theatres and The Fabric Store asking for donations towards a raffle. They also made and decorated shortbread biscuits at Mr B the Baker in order to run a cake sale. A big thank you to these stores for their time and generous donations.

On Tuesday 20th March the raffle and cake sale were combined on a very successful evening of the schools drama production of 'We Will Rock You' and the students raised a grand total of £220 for Comic Relief.

The mayor of Worthing attended the performance and was amongst the winners in the raffle. The school has since received a thank you letter quoting "the students involved in selling raffle tickets will make fine salesmen".

Gary Marlow from GTPRO Enterprises oversaw the project alongside Ryan Loversidge. At the end of the project Gary praised the students for their commitment and willingness to persevere despite obstacles they faced. "The students worked extremely well to ensure everything was sorted for the event and every one of them is a credit to their respective schools".

The students involved were Nicholas Fair, Kane Johnson and Ben Pettitt (WHS), Andrew Norris and Jake Syphas (DHS).
