**Press Release for Bubbles and Balloons
Title: Kids and Parents Catch Bubbles and Balloons**

Children under 5's and their parents are having a unique chance to regularly learn a range of sports and skills in Horsham in a new programme called Bubbles and Balloons©.

Bubbles and Balloons© provide children as young as 15 months to learn and develop movement and coordination skills, and play in a range of sports in a fun and friendly approach. Bubbles and Balloons takes place in Horsham Park Courts on Friday and Sunday mornings 9.30-10.30.

Bubbles and Balloons© is part of Award winning Global Tennis and is the only multi-sport and multi-skill programme in the country for Under 5's and Horsham is proud to host such innovative activities especially with all the negative press about obesity.

Ian Ford Sports Development Officer of Horsham District Council said, "Gary Marlow's Global Tennis has done a great job of diversifying sports provision in the Horsham area with innovative and popular programmes like Bubbles and Balloons engaging children aged under 5 years and their parents".

Global Tennis run a number of other programmes, which includes the Global Tennis Academy and soon to be launched I-Sport, for those children and young adults that have physical or learning difficulties.

Global Tennis is a member of the Federation of Small Businesses.
