Title: Global Tennis and Devonshire Park win Awards

Gary Marlow recently went to London to receive a coaching grant from The UnLtd Millennium Awards Scheme for Global Tennis. This also coincided with Devonshire Park Lawn Tennis Club gaining a £4700 Awards for All grant to help develop SPIN TENNIS (Wheelchair Tennis).

Chairman of Devonshire Park, Gary Marlow (aged only 24!) says, "This has been a fantastic year for Devonshire Park and now Global Tennis. The club membership has gone from 40 to over 110 in one year!" Moreover, what is extraordinary is that Gary is also a Physical Education Teacher at Sackville School, East Grinstead, Head Coach at Devonshire Park, and he represents Sussex on the British Schools Tennis Association Council.

Patrick Shine (UNLtd) says "UnLtd made the award so Gary can work towards his vision of involving children, young people and adults of all abilities and disabilities to get involved in tennis".

The track record for Gary is remarkable with the launch of the "Road to Eastbourne" in 2002 providing tennis equipment, coaching and team competitions for over 2000 children throughout primary schools in Sussex. Due to its success the Lawn Tennis Association will be developing the programme in 2005 and beyond.

Global Tennis will be launched in style on Saturday July 9th 2005 at Devonshire Park Lawn Tennis Club, home of the Ladies International Championships. With the motto, BE INCLUSIVE, BE INVOLVED it looks set to push the boundaries of tennis further than ever before. More details to follow.

The NEW Global Tennis website has now been launched and can be viewed at www.Globaltennis.co.uk. Please email tennis@globaltennis.co.uk for any questions and thoughts about the programmes or about the website.

Gary wishes to thank the following for their support; "UnLtd, for the Award, Maggie Robson Head of Sackville School, and all the other sponsors and supporters of Global Tennis and Devonshire Park Lawn Tennis Club.
